---

- How many facilities do you wish to have us bid for services?
- What is the total population per facility we will be servicing?
- Who currently is your provider?
- What date does your current contract expire?
- What platform is currently being used?  
(DISH, DirectTV, C-Band, Cable, Antenna/Off Airls)
- How much do you currently pay monthly?
- How many outlets are located in your (each) facility?  
An outlet is the line coming down from the splitter or Tap that is capable of connecting to a TV.
- How many channels do you presently receive?  
(Please attach a channel listing)
- How does the picture quality look on all the TVs in the facility? Excellent Fair Poor
- Are the current TV outlets wired to one central location (headend)? Yes No
- Does the distribution system need new wiring? Yes No
- Do you want Local Broadcast Channels? Yes No
- If yes, what are the Local Broadcast Channels you wish to receive?
- How far is the facility from a metropolitan area?
- What is the closest metropolitan area?

## WHAT PROGRAMMING WOULD YOU LIKE TO HAVE IN YOUR FACILITY?

Please check all that apply. East and West feed are differentiated by areas of the country where the signal can be received. The check mark (✓) distinguishes popular channels in correctional facilities today. These are a large portion of what is available. If you do not see a channel you desire please list it in the designated area at the bottom of this page.
